3. Background
4. Introduction
5. Executive Summary
6. Priority interventions and actions (PI&A) for Review:
 6. a Section 1: Establish partnerships and multisectoral coordination mechanisms (PI&A 34)
 6. b Section 2: Develop multisectoral alcohol harm reduction policies (PI&A 35)
 6. c Section 3: Develop and/or strengthen legislation and regulations (PI&A 36)
 6. d Section 4: Reduce the public health impact of illicitly or informally produced alcohol (PI&A 38)
 6. e Sections 5: Enforce measures to reduce the acceptability of alcohol (PI&A 39)
7. Conclusion
8. Appendices
 8. a Appendix 1: National Alcohol Policy Alliance (NAPA)
 8. b Appendix 2: West African Alcohol Policy Alliance (WAAPA)

1. Abbreviations

2. Acknowledgment

3. Background: Country Information, Population, Prevalence of alcohol use disorders

4. Introduction

1. Brief overview of the “Framework for implementing the Global Alcohol Action Plan 2022-2030 in the WHO African Region”

Below are the selected priority interventions and actions (PI&A) for Review

Section 1: Establish partnerships and multisectoral coordination mechanisms (PI&A 34)

Section 2: Develop multisectoral alcohol harm reduction policies (PI&A 35)

Section 3: Develop and/or strengthen legislation and regulations (PI&A 36)

Section 4: Reduce the public health impact of illicitly or informally produced alcohol (PI&A 38)

Sections 5: Enforce measures to reduce the acceptability of alcohol (PI&A 39)

Executive Summary

Section 1: Establish partnerships and multisectoral coordination mechanisms (PI&A 34)

1. What role have duty-bearers played in the establishment or/and operations of the national multisectoral coordination mechanisms?
2. How has the WHO office contributed to the establishment or/and operations of multisectoral coordination mechanisms?
3. Has a formal development process been initiated on the establishment of national multisectoral coordination mechanism?
4. Is there a national multisectoral coordination mechanisms in place?
5. Brief description and effectiveness of the current partnerships and national multisectoral coordination mechanisms in place if any
6. Include evident and prove through images
7. Recommendations/next-steps/way-forward

Section 2: Develop multisectoral alcohol harm reduction policies (PI&A 35)

1. Is there a national alcohol policy/framework/strategy in place?
2. State clearly the national policy/framework/strategy purpose statement
3. Brief overview including key provisions/elements, gaps and weaknesses of the existing policies/frameworks/strategies and its impact
4. Kindly include evidence and prove through images
5. Recommendations/next-steps/way-forward

Section 3: Develop and/or strengthen legislation and regulations (PI&A 36)

1. Is there a national alcohol legislation and regulation in place?
2. State clearly the national alcohol legislation and regulation purpose statement
3. Brief overview including key provisions/elements, gaps and weaknesses of the existing national alcohol legislation and regulation and its impact
4. Kindly include evidence and prove through images
5. Recommendations/next-steps/way-forward

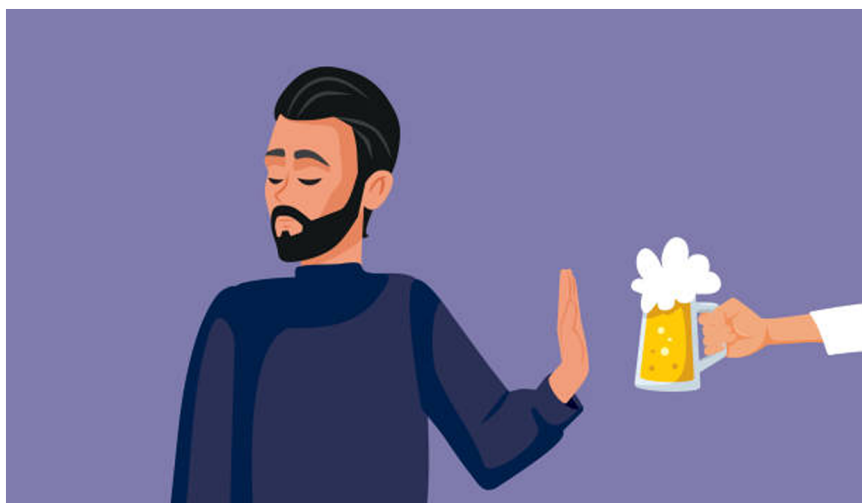

Section 4: Reduce the public health impact of illicitly or informally produced alcohol (PI&A 38)

1. Overview of the current situation regarding illicitly or informally produced alcohol
2. Brief analysis of the effectiveness and challenges of current measures
3. Is there a functioning system to collect data on illicitly or informally produced alcoholic beverages?
4. Include evident and prove through images
5. Recommendations/next-steps/way-forward

Sections 5: Enforce measures to reduce the acceptability of alcohol (PI&A 39)

1. Are there measures in place to reduce the acceptability of alcohol?
2. Highlight interventions being implemented to reduce the acceptability of alcohol
3. Brief analysis of the effectiveness and gaps of current measures
4. Include evident and prove through images
5. Recommendations/next-steps/way-forward

Conclusion:

1. Summary of key findings and recommendations
2. Call to action for governments, civil society, regional organizations, international/development partners and other stakeholders at the regional and global levels
3. Provide brief information on World Health Organization country office's efforts in supporting **(Country)** on the Framework for implementing the Global Alcohol Action Plan 2022-2030 in the WHO African Region since its adoption in 2023.
